Words cannot describe the good times, the friends, and the many different experiences of the past year. They are pictures in our minds, long to be remembered.

The Amulet staff has tried to capture these memorable moments on film so that years from now they can bring back the joy of our final school years. Only through pictures can we relive the past.

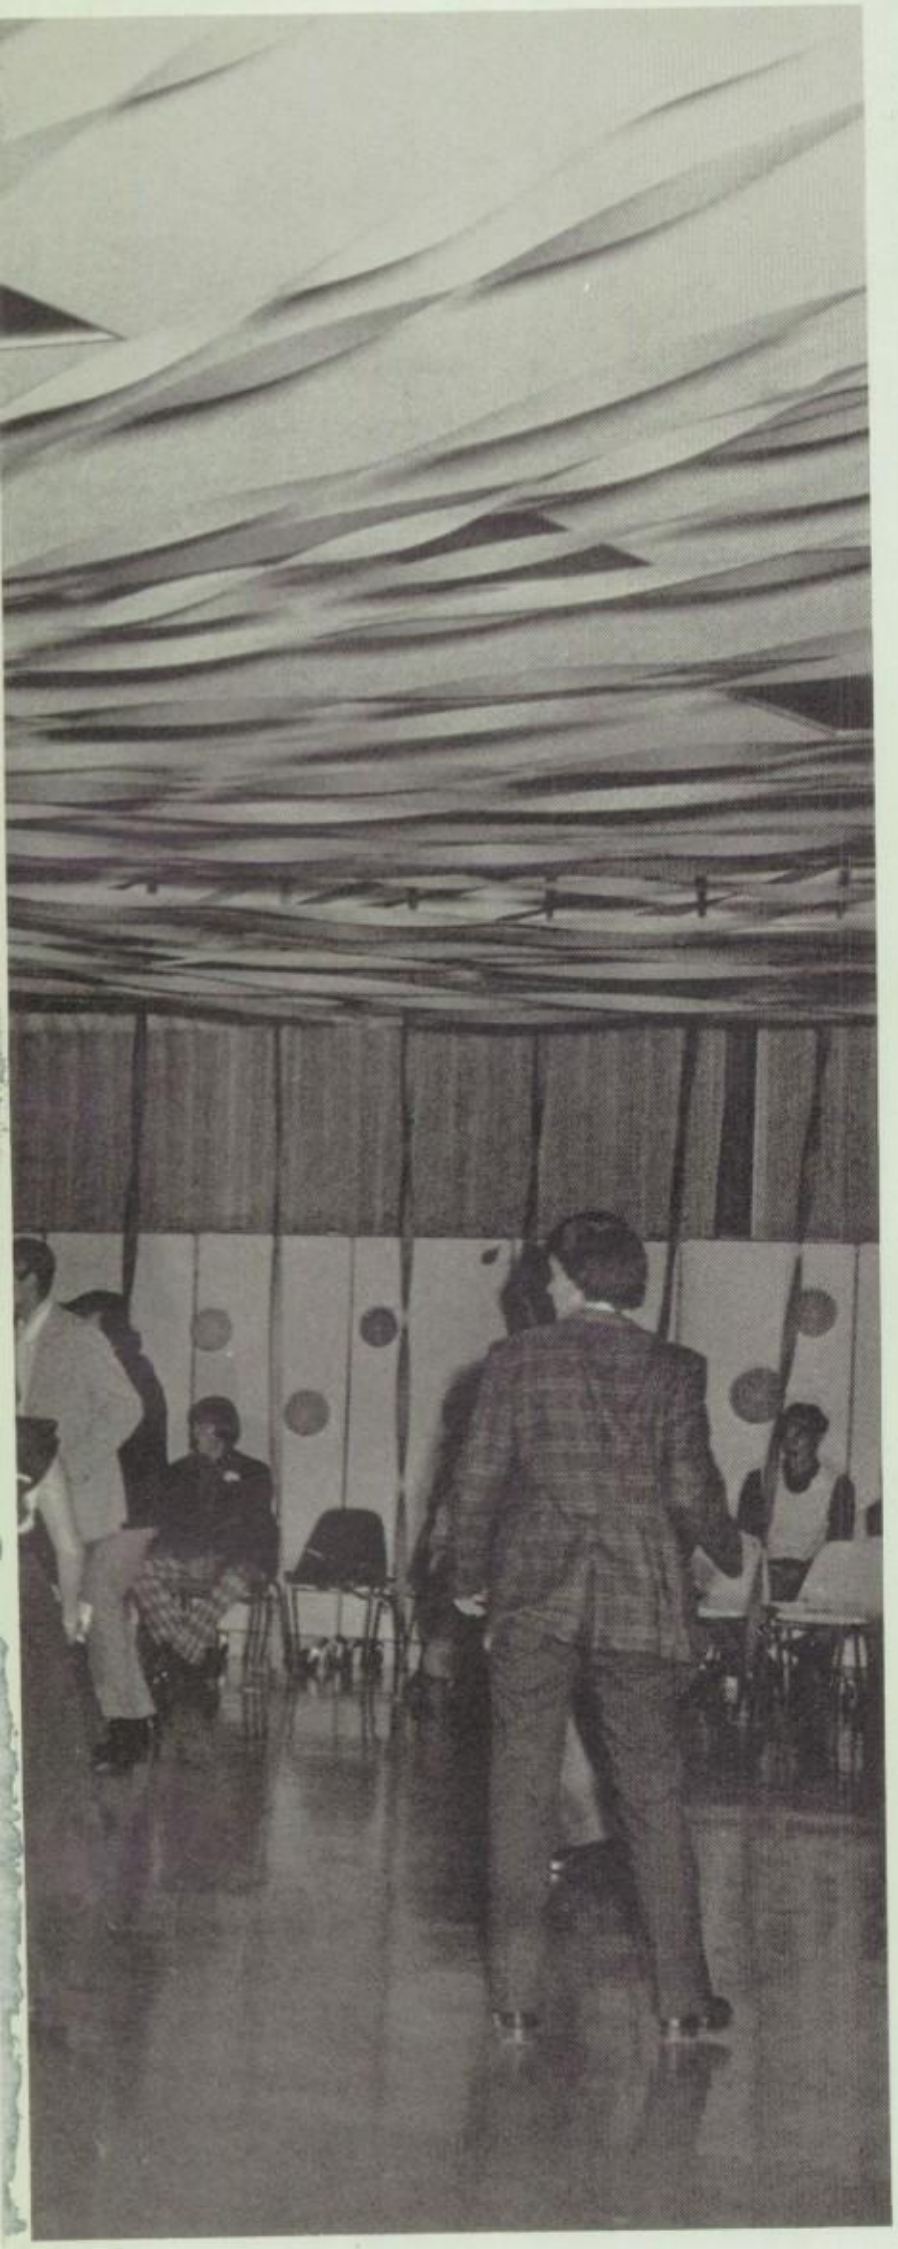
Dedication

Mrs. Linda Ragain

Whether displaying her acting abilities or helping with a class project, Mrs. Regain is always willing to lend a helping hand.

The 1974 AMULET staff is pleased to dedicate the 1974 AMULET to a woman who has been behind the scenes of many school activities. This woman is fondly referred to as "MOM" by many students and faculty members. Besides giving her all in her home economics classes, this woman also lends much of her time helping with projects for a vocational class, sharing her acting abilities for a worthy cause, and helping to prepare dinners for either school officials or to add some extra pleasure to a school event. So in view of all her hidden talents and abilities, we dedicate the 1974 AMULET to a 12-year veteran of Limestone High School, Mrs. Linda Regain.

EE
SIDE!



I can't promise you a rose garden.

Promises should be kept once they are made.

I can't make one for the future

because the future is unknown

and so am I. . .tomorrow.

But don't worry about roses and tomorrow,

share my warmth with me today.

You can have rainbows and butterflies

because today is here and so are we.

Life must be lived today, you know.

If you worry about tomorrow

and don't live today,

suddenly you will realize that all you have

are empty yesterdays.

The Sportsman

All in the State of Mind

If you think you're beaten, you are
    If you think you dare not, you don't.
If you'd like to win, but think you can't,
    It's almost a cinch you won't.
If you think you'll lose, you're lost,
    For out in the world you'll find
Success begins with a fellow's will,
    It's all in the state of mind.

Full many a race is lost
    Ere ever a step is run;
And many a coward fails
    Ere ever his work's begun.
Think big, and your deeds will grow;
    Think small, and you'll fall behind;
Think that you can, and you will.
    It's all in the state of mind.

If you think you're out-classed, you are;
    You've got to think high to rise.
You've got to be sure of yourself before
    You can ever win a prize.
Life's battles don't always go
    To the stronger or faster man,
But soon or late the man who wins
    Is the fellow who thinks he can.

Barb Stewart and Pam Diekhoff cheer the basketball team on to victory.

Junior Varsity Cheerleading—K. Chitwood, P. Moore, R. Bierwirth, L. Clark, K. Lavish, C. Underwood.

This year the cheerleaders did a fine job raising school spirit at pep assemblies and games. This year school spirit has been higher than it was in previous years. One of the reasons is because of the cheerleaders.

There was a total of three squads, varsity, junior varsity, and wrestling, which represented Limestone well.

Seniors leaving the squads are: Paula Wirsching, Pam Diekhoff, Barb Stewart, Donal Boulton, Nancy Smith, Cathy Sweet, and Becki Righi.

At a pep assembly the junior varsity leads in a cheer.

Coach Fuson would never have his players do something he wouldn't do.

Before the game the Rockets got fired up.

This year the Rockets started the season differently. Not only did the Rockets have a new coach, but they had a winning attitude. At first they thought that they would have an undefeated season, but after the first game things looked different. Fans were not as sure as they were at the beginning of the year. Many thought that the Rockets would once again go without a win. Credit should be given to Coach Fuson for not giving up.

Many of the players that were sitting the bench were ready to quit. Some did. The players that didn't quit still kept saying that they would win. Finally the win came. The Rockets bested Woodruff. The next week the Richwoods Knights fell victim to the Rockets. Although we didn't win anymore games, the season was not a total failure. The Rockets no longer were a team with a losing attitude. Next year the team has a good chance of being one of the best to come from Limestone.

This year's varsity baseball team was the best ever at Limestone record wise winning 24 games and losing only 9. Good pitching and timely hitting made the success that the team had. Coming from behind in many games made this years team an exciting one. Two of the team's outstanding players were voted to the MS-9 all-conference team. Randy Marchand was voted in at first base, and Gary Moody was voted in at pitcher. With many returning players, plus a good group of sophomores, the rockets should be at the top in the conference.

Central 96 — Washington 48 — Limestone 33

Al Cotton breaks the 100 yd. dash record running 10.1 against Pekin with Sig Bjorklund right behind.

Rick Holt set the 330 low hurdle record by running 40.8 which placed 2nd in the MS-9, and in the high jump Rick's best was 5-10.

The Mile Relay with Clint Jaynes, Sig Bjorklund, Gary Taylor and Tom Schlich broke the old record by 2 seconds, running a 3.32.0 which could hold for some time. The Rockets also set numerous indoor records. Coach Negley was very pleased with this years team, and he hopes the success will continue with quite a few lettermen returning.

In one of the most successful seasons ever for a track team no one individual can be singled out. It was a team effort with many outstanding competitors that did a whale of a job.

This year's fine coaches were Mr. Fulk, Mr. Negley, and Mr. Kasap.

Clinton "turkey" Jaynes was one of our best 440 men as he beats his Richwoods opponents with his teammates cheering him on.

The varsity 440 relay placed 5th in the MS-9 with Mike Hoopingarner, Sig Bjorklund, Fred Showalter, and Tom Schlich.

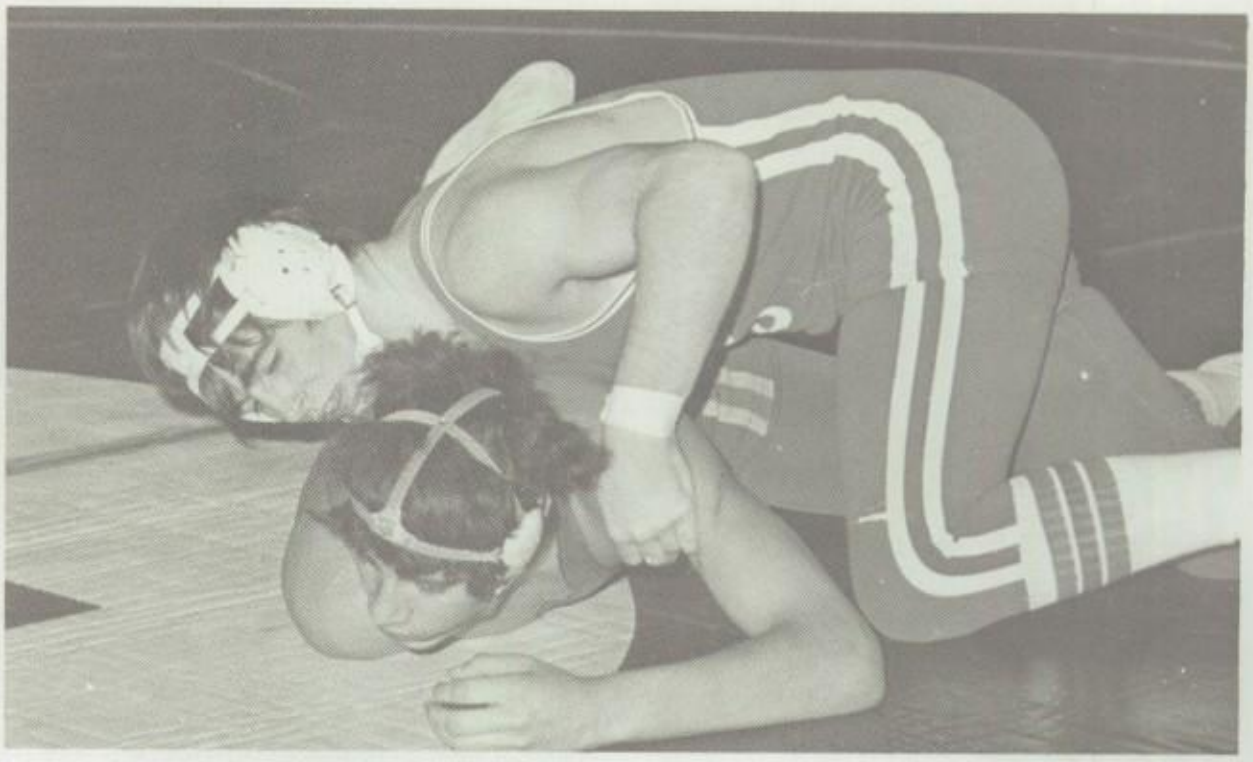
With an inexperienced wrestling squad one can expect an unsuccessful season. Coach Vilt should be given credit for working hard with such a young squad that faced tough competition.

The few juniors and seniors did an outstanding job. The Closen brothers, Mike and Pat, had fine seasons with both of them being two of the toughest wrestlers in the area. Pat will be back next year. Other seniors were Rob Dieckow, Zane Wilson, and DeWayne Merriman who all placed high in the M-S 9 and districts.

Next year's success will lie upon young shoulders, but with some support, these young Rockets could have a great season.



Mean Pat Closen ties up another opponent in route to another victory.

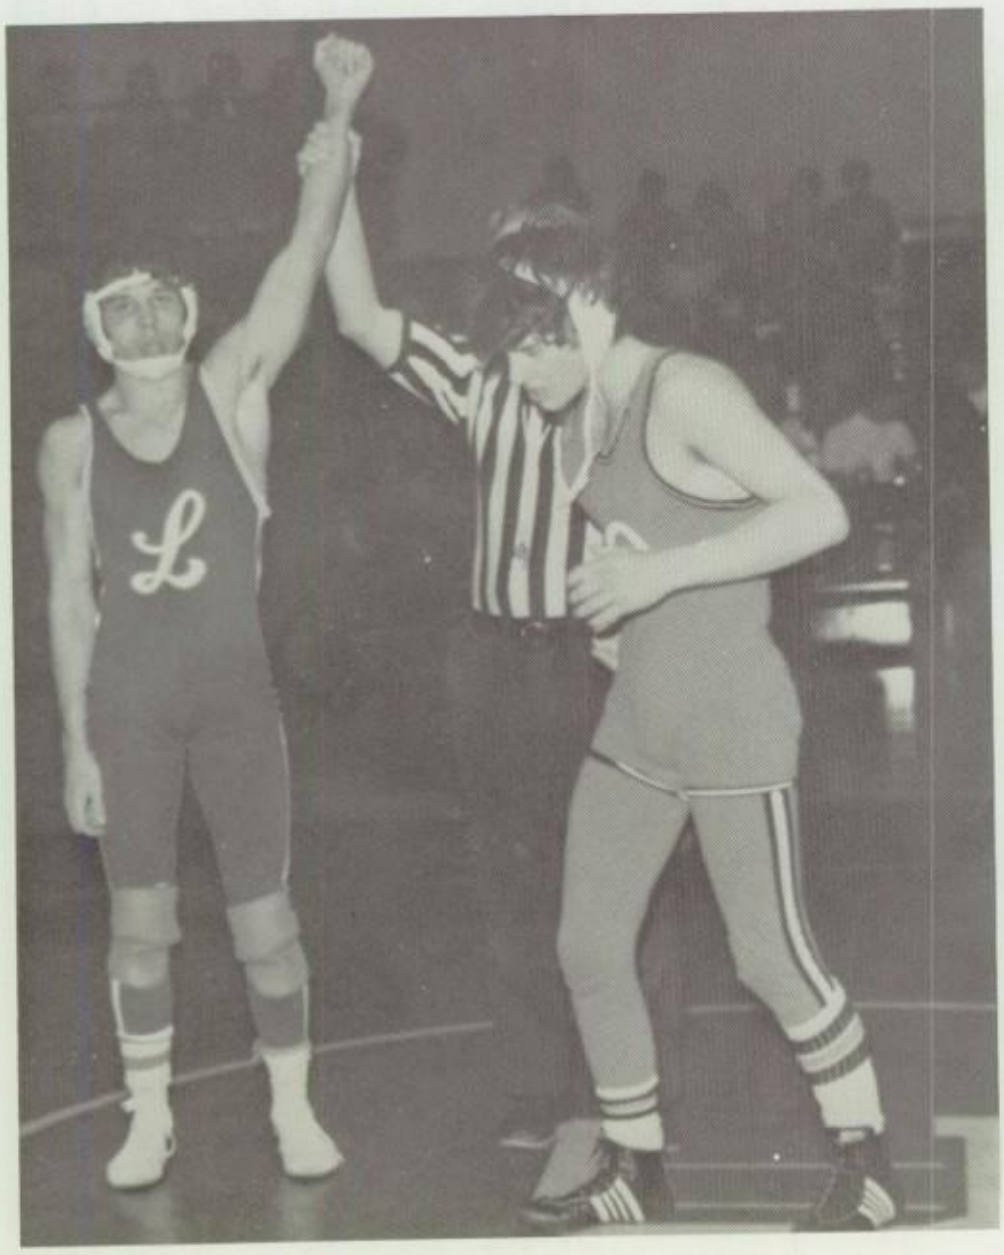
Blue Crew Has Fine Underclassmen



Dewayne Merriman wins another match as his opponent storms off the mat.

Senior Mike Closen wrestled varsity for three years. In his sophomore year he received firsts in the Lincoln, Eureka, and U-High tournaments. In his junior year Mike received seconds in the U-High tournament, district and sectional. In his senior year Mike received firsts in the U-High and district meets.

Senior Zane Wilson did a fine job wrestling for the Rockets on the varsity squad two years. In his junior year Zane received 5th in the U-High tournament, 4th in the M-S9, and 3rd in the district. In his senior year Zane received 5th in the U-High tournament, 3rd in the M-S 9, and 2nd in the district. Zane was the last one to wrestle on the team in the matches, and it was up to him many times to beat his opponent by a pin in order for the team to win the meet.

Senior Dewayne Merriman was a valuable asset to the Rocket varsity. Wrestling varsity for almost three full years, Dewayne gained knowledge and experience that would help him become one of the best wrestlers in the area. In his junior year Dewayne finished 5th in the U-High tournament, 4th in the M-S 9, and 3rd in the district. In his senior year Dewayne finished 5th in the U-High tournament, 3rd in the M-S 9 and 2nd in the district.

Little Robbie Dieckow, one of the few seniors on the squad, was a valuable asset to the wrestling team. All year long he wrestled tough. In district competition Robbie just missed being eligible for sectional by finishing third. Robbie continued to be dedicated through all his years on the wrestling squad. Going against tough competition, Robbie always held his own winning his share of matches.

Rockets Win Princeton Tourney

This year the varsity basketball team did some things that no other Limestone varsity team had ever done before. To start off the season the Rockets won the Princeton Holiday Tournament, beating Princeton, Wenona, and Morris. Next, for the first home game of the season, a confident Rocket team took on the Galesburg Silver Streaks and defeated them for the first time in the history of Limestone basketball.

In the Pekin Holiday Tournament our roundballers finished fourth, beating two powerhouse teams in Toluca and Thornton before losing to a tough Quincy ballclub.

Through the rest of the season, the Rockets played good basketball, finishing fourth in the M-S 9 behind three fine teams.

In the Peoria High Regional, a psyched up Rocket ballclub defeated the highly regarded Bergan Trojans soundly thus qualifying for the regional finals against the Central Lions. The Rockets played a good game, but the Lions proved too much as they defeated the Rockets and went on to finish third in the state, upsetting some fine teams along the way.

Although losing all-stater Chuck Thome and a good group of seniors, the Rockets with some fine prospects should be tough next year.

At a pep assembly Coach Riggenbach introduces the varsity squad.

Chuck Thome scores an important basket against Galesburg.

The varsity basketball team finished second behind Central in the M-S-9. With standouts like Deb Mathus, Kim Hurly, and Terry Randolph, the Rockets only lost to Central. With many underclass members on all of the squads and a seasoned group of juniors, the teams should be the best in this area.

OLD FRIENDSHIPS ARE THE DEAREST

Though many of life's pleasures

May change from year to year,

Old friendships never change at all

Except to grow more dear,

And just like cherished memories,

They have a place apart-

A place reserved forever

In a corner of the heart.

The newspaper staff is all voluntary, but the students had to be enrolled in Journalism. The Senior

The Best Life

Some people only survive,
Some people really live,
If you want to live the best way,
Of yourself, a little, you must give.

You have to reach out,
You have to care,
And when someone needs you,
You must be there.

The best thing in life
Is to open your eyes and see,
To love a little bit,
To help people be free.

Open up your heart,
Let the happiness come in,
Don't be a loser
Because it's fun to win.

Seniors Look To The Future

The time soon comes for these graduating seniors of 1974 to go into the world and try to tackle it. Some go on to college, but others do not. After many years of preparation they are ready to give all that they can to make this world better.

Homecoming plays an important part in the lives of all seniors. This year the seniors took first place for the production of their class float. The class of '74 did just as well on their skit by placing first. Anna Sorman was chosen 1974 Homecoming Queen with Pam Diekhoff as senior attendant.

A good job on leadership and organizing projects was done by the class officers: Mark Chitwood, president; Andrea Meyers, vice-president; Nancy Smith, secretary; and Donal Boulton, treasurer. Helping along were the senior class advisors: Miss Earle, Mr. Burlison, Mr. Daughtery, and Mrs. Gibson.

The contest to select the most photogenic entrant in the Miss Photogenic Contest is based strictly on the appearance of the portrait and does not consider personality or popularity. Only senior girls are eligible. To insure participation and interest all of the senior girls photographed for the AMULET were entered automatically.

Mr. Doug Collins, Illinois State University basketball star and member of the U.S. olympic team, was the judge for this year's contest. The 6'6" All-American guard was the number one pick in the National Basketball Association player draft and signed a seven figure contract with the Philadelphia 76ers.

YESTERDAY . . . SEVEN YEARS AGO

Riding down the highway, seventy miles an hour

I concentrate on the white lines, not connected,

but following one after another.

Life is like that,

one day after another, time moves on

so I must move on down the road

trying to put the lines together

so I can understand the traveled miles of my life.

Maybe then I will be able to enjoy

the many untraveled miles that are before me,

but first I must connect the white lines.

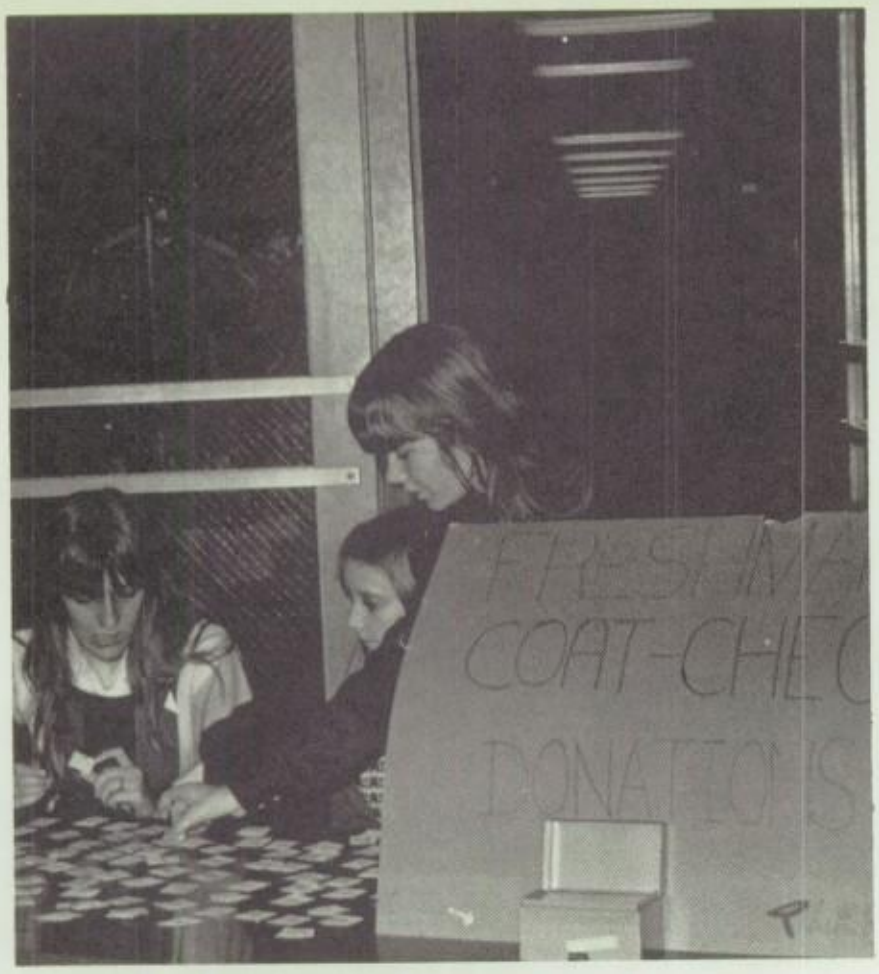
Freshman Class Officers

Marilee Grant, Secretary; Kim Fields, President;
Julie Alexander, Vice President; Kathy Davis, Treasurer



Freshmen begin to earn prom money.

As the class of 1977 began their first year at Limestone, they were met with many new experiences.

President Kim Fields along with Vice-President Julie Alexander, Secretary Marilee Grant, and Treasurer Kathy Davis led the freshman class through the school year.

The freshman class will always remember their first Homecoming. Lanell Legaspi was chosen to be the freshman attendant. The freshman had a walking float in the Homecoming Parade. Their skit, Laugh-In, was one of the best freshman skits ever.

With the help of their advisors, Mrs. Wendelin, Mr. Hagenbuch, Mr. Schoepke, and Mr. Wendelin, the class of '77 met their first year at Limestone with much enthusiasm.

President, Julie Suttor; Vice-President, Carol Brining; Secretary, Shelly Schmitt; Treasurer, Annette Lohmann

The Junior Class worked extra hard to make their Prom a success this year. A popcorn sale was one of the projects used to raise money.

The Junior Class skit earned a second place. The float was a wagon loaded with hay and banners to represent their skit "Hee Haw." Jill Slater was chosen junior attendant.

Class officers were Julie Sutter, president; Carol Brining, vice-president; Shelly Schmitt, secretary; and Annette Lohman, treasurer.

Class advisors were Mrs. Ezel, Mrs. Noe, Mr. Wassell, and Mr. Brockman.

Junior class shows overwhelming spirit in the parade.

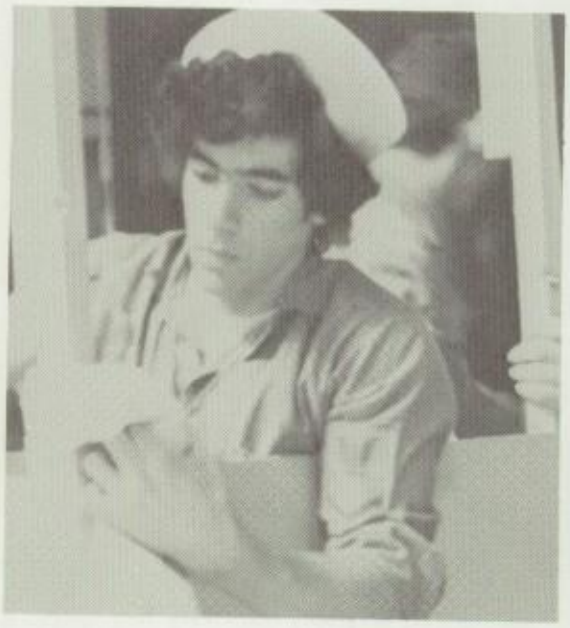
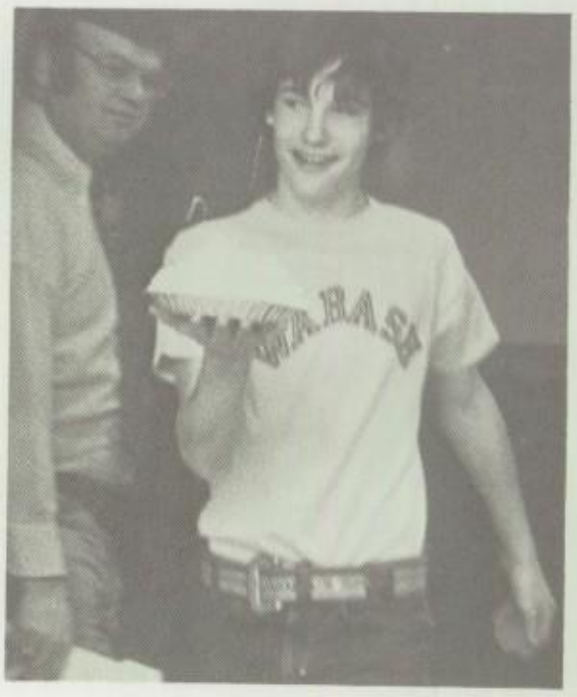
Junior Nonsense

"Friendship is a special kind of feeling between two people who like each other. It is a happy feeling—knowing someone thinks about you, cares about you, understands you, and will ask for your help in return."

"A friend is blue skies and the sun shining."

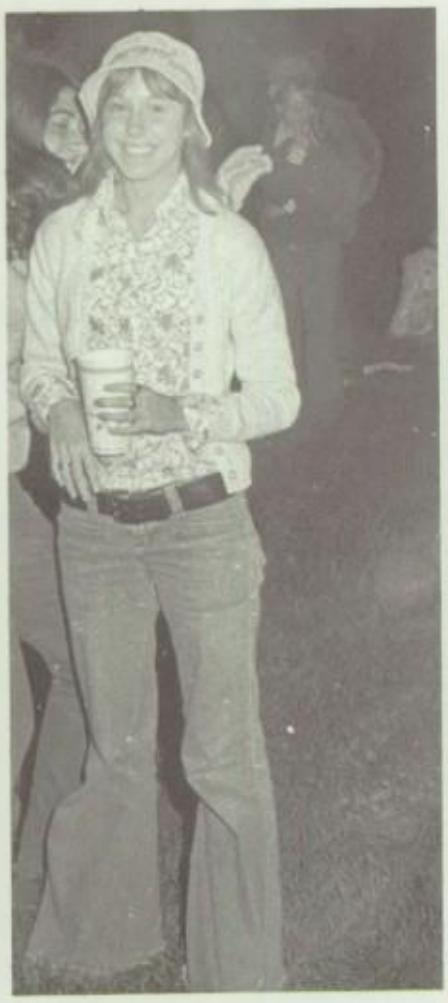


"When you need help, a friend is the one who doesn't interrupt to tell you his troubles while you're trying to unload all of yours."



"A friend is a smile in the heart."

"Friends like to be together— to share secrets, to ask advice, to work, to play, or to just sit and do nothing. But friends don't have to see each other or talk to each other or even write letters to each other to still be friends."



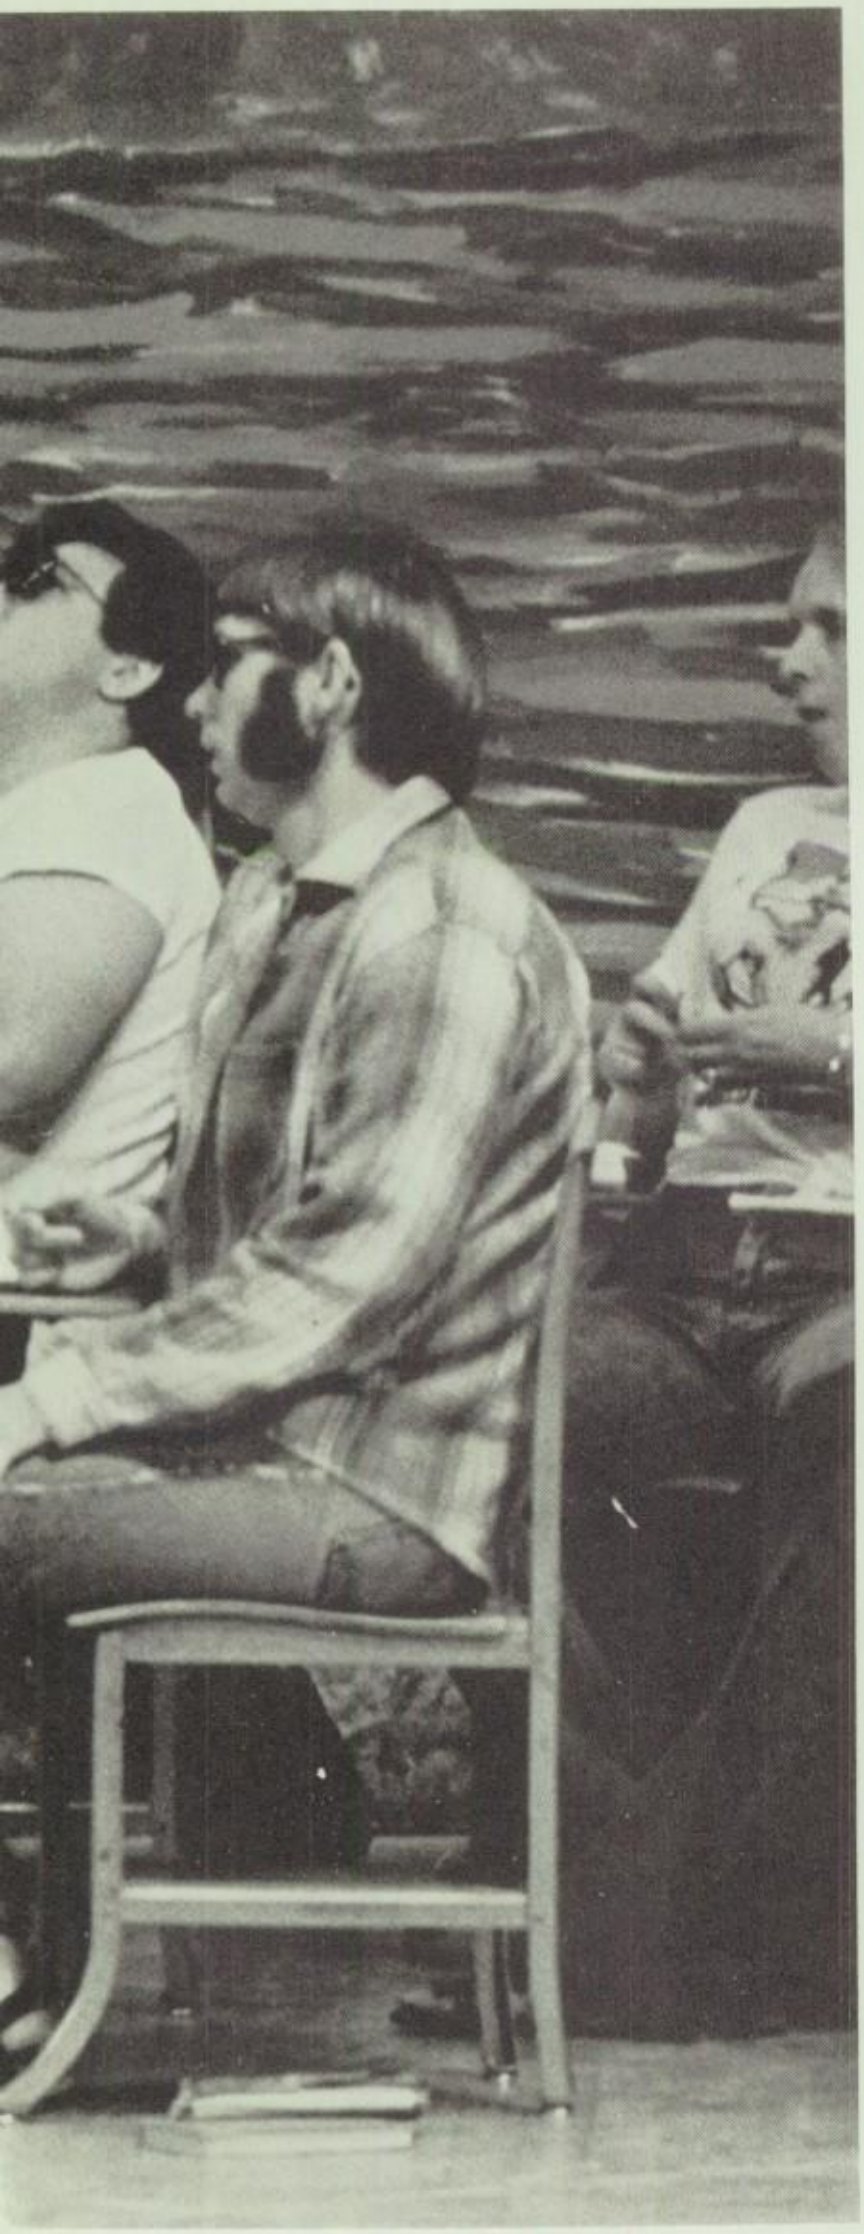
"Friendship is a gift that keeps on giving."

"Friendship is ..... listening, caring, offering, sharing, togethering, being comforting, "come on in-ing;" understanding, confiding, gossiping, beside-ing; laughing, crying, living, and trying."

"Friendship is what makes some days better than others."

"Friendship is reaching for someone's hand . . . and touching his heart."

"A friend tells you those things you don't want to hear, but know you need too."



What need we teach a child . . .
With our books and rules?

Let him walk among the hills
and flowers,
Let him gaze upon the waters,
Let him look up to the stars . . .

And he will have his wisdom.

Limestone is a fine high school, perhaps the best in the Mid-State Nine. It is no accident that our school has reached this position. With continued leadership in instituting new programs, making curriculum changes and additions, and purchasing new equipment and material wisely, Limestone will continue to hold this enviable position.

WE NEED YOU
TO HELP IN THE ENERGY CRISIS

The energy problems we are facing today are complex and deep-seated. They aren't going to be solved quickly or easily. But all of us, working together, can do a great deal to lessen the impact of our nation's energy shortages.

The most important effort right now is to begin managing the use of available energy more wisely than we have ever done before.

Walk instead of ride . . . Turn out unnecessary lights. Do everything possible to conserve. There are hundreds of ways you can help. Why not start today!

IN MEMORIAM

We are grieved by the loss of two very fine people from Limestone High School and would like to dedicate the following poem to their memory.

Crossing the Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.
